**Capability Statement**

# Capabilities

Copamate Products is an innovative company supplying a range of products and services to Building services, Rail, infrastructure and Mining. Copamate continues to evolve applying its diverse knowledge with more than four decades of industry experience.

Our core focus is to supply our clients with the most efficient solution, embracing problem solving, sourcing, product development, design, in house manufacture and assembly. To supply customers with the highest quality of products and services that not only meet but exceeds their expectations.

Our quality management system is maintained to current ISO 9001:2015 requirements. The company is committed to provide custom, sourced and proprietary products in compliance with established specifications, relevant national/international standards and regulatory requirements. Recently obtained IRIS certification.

## Key objectives

1. Ensuring customer satisfaction is achieved, maintained and exceeded through the delivery of competitive quality products and services on time.
2. Maintain implemented programs of best practice with quality procedures and safety measures within the organisation.
3. To maintain and continually improve management systems with the goal of providing excellence in products and services.

We are committed to excellence in all aspects of our business – people, systems, customer service, quality and technology.

## Services

Design Support  
Drafting/Engineering  
Reverse Engineering  
Seismic Calculations  
Customised Solutions  
Logistics  
Technical Support  
Refurbishment  
Stock Holding  
Manufacturing  
Coatings  
Heat Treatment

## Manufacturing Capabilities – In House

CNC Milling  
CNC Laser  
CNC Press Brake  
Pipe Bending  
Sheet Metal – Clinching machine  
Welding – Spot, Mig, Arc, Tig, Stud  
Kiln – 1200 Deg Celsius  
Stamping Machines – 300 & 400 Tonne  
Sheet Rolling  
Profile Rolling  
Paint Booths  
Assembly  
Testing  
Fibre Glass – New / repairs

# Manufacturing Facility

**Vertex 420CMM  
Measuring Machine**

**Okuma MB56VA  
Milling Machine**

**Doosan Mill 5 Axis**

**Turret Mill**

**CITIZEN E32 CNC Lathe**

**Star SV-32 CNC Lathe**

**Star SR-20111 CNC Lathe**

**Okuma LB300 CNC Lathe**

**Doosan - PUMA GT2600L**

**Hitachi Seiki  
Turret CNC Lathe**

**Press Brake**

**Laser Machine**

**Deburring Machine**

# Manufacturing Facility

**300T Press**

**400T Press**

**Bending Machine**

**Tetlow Kiln**

**Paint Booth**

**Testing**

**Laser Marking & Co2 Laser Machine**

**TIG Weld**

**Fronius Pulse Mig Weld**

**Demmeler Welding Table**

**Round Polishing Machines**

## Manufacturing Facility

**Assembly**

**10 Tonne Overhead Crane**

**16 Tonne Overhead Crane**

## Environmental – Going Green

**100KW solar**

**Electric Forklifts**
