

WATERMARK SCOPE OF USE

BACKGROUND

The Scope of Use is a statement by the Approved User specifying the intended use of the product. The Scope of Use may include any limitations to the application of the product such water pressure, water temperature or any other operating circumstances.

The statement shall be included with the product when sold and shall be clearly visible and comprehensible to the intending purchaser and user. The statement may be stamped onto the product, printed on the packaging or included as part of the installation instructions.

Where it is not possible to include this statement as outlined it may be permissible to include advice that the statement is available from a website:

WATERMARK LICENCE: 1709

APPROVED USER: COP-A-MATE Products Pty Ltd

MODEL / BRAND IDENTIFICATION	SCOPE OF USE	Form and manner in which the statement shall be applied to the product
COP-A-MATE ACZPF040	Male Pressed Socket flange adaptor, DN40, MWP 2300 kPa	Instructions
COP-A-MATE ACZPF050	Male Pressed Socket flange adaptor, DN 50, MWP 1710 kPa	Instructions
COP-A-MATE ACZPF065	Male Pressed Socket flange adaptor, DN 65, MWP 1370 kPa	Instructions
COP-A-MATE ACZPF080	Male Pressed Socket flange adaptor, DN 80, MWP 1520 kPa	Instructions
COP-A-MATE ACZPF100	Male Pressed Socket flange adaptor, DN 100, MWP 1200 kPa	Instructions
COP-A-MATE ACZSKTF100	Copper Capillary Socket (Short engagement) flange adaptor, DN 100, MWP 1200 kPa	Instructions
COP-A-MATE ACZSKTF125	Copper Capillary Socket (Short engagement) flange adaptor, DN 125, MWP 960 kPa	Instructions
COP-A-MATE ACZSKTF150	Copper Capillary Socket (Short engagement) flange adaptor, DN 150, MWP 1000 kPa	Instructions
COP-A-MATE ACZSKTF200	Copper Capillary Socket (Short engagement) flange adaptor, DN 200, MWP 720 kPa	Instructions
COP-A-MATE ACZSKTF025	Copper Capillary Socket (Short engagement) flange adaptor, DN 25, MWP 3500 kPa	Instructions
COP-A-MATE ACZSKTF032	Copper Capillary Socket (Short engagement) flange adaptor, DN 32, MWP 2780 kPa	Instructions
COP-A-MATE ACZSKTF040	Copper Capillary Socket (Short engagement) flange adaptor, DN 40, MWP 2300 kPa	Instructions
COP-A-MATE ACZSKTF050	Copper Capillary Socket (Short engagement) flange adaptor, DN 50, MWP 1710 kPa	Instructions
COP-A-MATE ACZSKTF065	Copper Capillary Socket (Short engagement) flange adaptor, DN 65, MWP 1370 kPa	Instructions
COP-A-MATE ACZSKTF080	Copper Capillary Socket (Short engagement) flange	Instructions

	adaptor, DN 80, MWP 1520 kPa
